“CELEBRATING SUCCESSES”

Again this year, the Tulpehocken Area School District conducted a program entitled “Celebrating Successes.” The program recognized the retirees and those individuals who had 5, 10, 15, 20, 25, 30, and 35 years of experience in our district.

Additionally we recognized teachers of the year for elementary and secondary as well as a support person of the year. We are very proud of all of our staff for their hard work, efforts, and dedication.

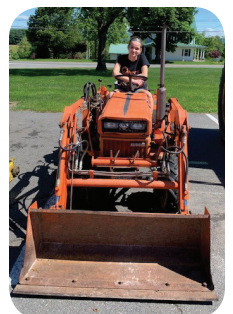

Our 2018-2017 teachers of the year and support person of the year are respectfully:

- Carol Reed - Support Staff Person of the Year
- Lauren Oswald - Elementary Teacher of the Year
- Nicole Carley - Secondary Teacher of the Year

TRACTOR DAY

Tulpehocken Junior/Senior High School’s annual Tractor Day was held on May 24, 2019. This year, the Tulpehocken FFA sponsored a “Best In Show” contest. Tractor owners could register their tractor for a chance to win a gift card and their name on a plaque to be hung in the Tulpehocken Agriculture Department wing. Each vote submitted cost fifty cents, with all proceeds going toward the Tulpehocken Agricultural Department’s tractor restoration project. This year’s Best In Show winner was Billy Fantozzi! The Tulpehocken FFA thanks all participants and looks forward to more support and entries for next year’s contest. (See page 8 for more pictures.)

SUPERINTENDENT'S CORNER

Greetings Tulpy Family!!

Where did the summer go? I swear it felt like yesterday that I was just pulling out shorts and flip flops and in the next month or so we will be trading them out for sweatshirts and jeans. As depressing as the thought may be of leaving the warm weather behind, it is also exciting to think that a new school year awaits. We will get to meet a new group of exciting Kindergarten faces and at the same time, our seniors will begin the last leg of their journey before they ride off as Tulpy Alumni!

At the graduation ceremony this past June, Mr. Quirk referenced one of my favorite books in his speech, "Good to Great". Within the book, author, Jim Collins, talks about what makes companies great companies. He says, "Greatness is not a function of circumstance. Greatness, it turns out, is largely a matter of conscious choice, and discipline." While Collins discusses the idea of great companies, the concepts he presents can be directly applied to our lives. In order to be great, one must make a mindset change just as companies need to do. We are destined to be great, but too often we choose to be ok. The problem with staying ok is that we never realize our full potential and accomplish all that we could. We need to look beyond our current ambitions and push ourselves to be the best we possibility can.

Whether you are a Mac or PC or iPhone or Android person, no one can deny that Apple Computer went from being an ok company in the 1990s to something great today. Apple continues to revolutionize the technology market with new products and ways of thinking. Their drive for greatness is what makes them so successful. A company that was once on the verge of financial collapse became the first trillion-dollar company.

What holds us back from being the next Apple Computer? What holds us back from being great? The answer is as simple as looking in the mirror. Each of us has the power within to be great! Now is the time to do it. I challenge Tulpehocken to be the greatest! There are so many great things already in our schools and community, but let's make them even greater.

Imagine what can be accomplished for our kids when everyone is moving towards greatness! This year don't settle for ok or good. Achieve greatness!

Tulpy Pride!

NEED TO REGISTER YOUR CHILD FOR SCHOOL?

Parents needing to register their child(ren) in the Tulpehocken Area School District can contact Dianne Harchuska in Child Accounting at 717-933-4611 at ext. 1006 to make an appointment.

BCTC STUDENTS OF THE QUARTER

Each quarter, BCTC instructors select a student from their program whose attitude, skills, and knowledge gained during that particular quarter is above and beyond the standard. The student shows initiative and integrity in performing their tasks and is, overall, the best student for that quarter.

The students receive a certificate of recognition and are honored as a group at a breakfast reception for the morning students, and the afternoon students are honored at a luncheon reception. The students are also photographed and their portrait is displayed prominently throughout the school.

TULPEHOCKEN WELCOMES OUR NEW FOOD SERVICES DIRECTOR

Greetings Trojans! I feel so privileged to join the Tulpehocken Family as the Food Service Director for the 2019-2020 school year. I come to the Tulpehocken School District with over 12 years of food service management experience and have worked in a K-12 setting as a Food Service Director for the past five years. I am passionate about serving students fresh, nutritious meals, and I feel that good nutrition and a full tummy are key factors in helping a child be successful in school.

My home is just outside of Orwigsburg where I live with my husband and two daughters. I enjoy traveling whenever possible, spending time outdoors, and searching second hand shops for hidden treasures.

I feel confident that the 2019-2020 school year is going to be a delicious and nutritious one, and I can't wait to see all the smiling faces of our Tulpehocken students in the lunch line.

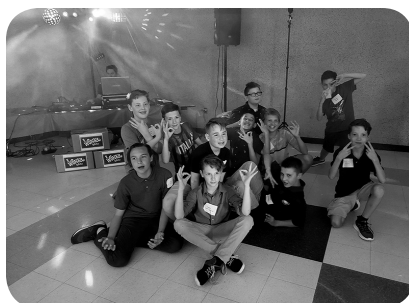

Warm Regards,
Jillian Bergman

WHAT'S HAPPENING AT PENN-BERNVILLE

This year has flown by! There were so many wonderful things to recap that happened at Penn-Bernville. Field day was a huge success for all grade levels, and we managed to have two beautiful, rain-free days. Students and staff cooled down with a little help from Kona Ice, sponsored by our PTO. The sixth grade students were transported into Wonka land for their 6th grade dance, which connected to our 6th grade Musical. Thank you to both organizations at Penn-Bernville and Bethel for bringing such a wonderful evening together for our graduating students. We are also celebrating an incredible first year of our Watch D.O.G.S program. Thank you for the teacher support and all of the fathers, stepfathers, grandfathers, and brothers who came into PB and spent a day with us!

PENN-BERNVILLE PTO PUTS THE SPRING IN FLING

Penn-Bernville PTO hosted their annual Spring Fling event in May. This event welcomed students and families to the PB gym and cafeteria for fun and games. Local businesses attended to help bring the fun, such as Bounce N Style, the Perk Up Truck, and ROG with their smile booth. Toilet paper toss, boat races, face painting, make your own cotton candy, and Rita's were just a few of the special treats that families could enjoy. Without the PTO these events would not be possible. Thank you Penn-Bernville PTO for sponsoring amazing events for our students and their families!

**SUMMER ORIENTATION PROGRAM FOR NEW JUNIOR HIGH STUDENTS
AUGUST 20, 2019 – JR/SR HIGH SCHOOL AUDITORIUM @ 9:00AM**

For many students the transition from the elementary school to the junior high school, is difficult. Many students feel overwhelmed by the various tasks and responsibilities and become quite anxious. Some of their concerns include: getting to class on time, finding their lockers and remembering the combination, finding the cafeteria and bathrooms, remembering which class to go to next, fear of getting lost in the building, keeping up with the classwork for multiple subjects, and social issues, including peer pressure, cliques, and bullying.

In an effort to help students make a positive transition to the Junior High School, we have developed a Summer Orientation Program. The Junior High Orientation is voluntary and parents are welcome to attend. During the orientation, students will spend time in the Junior High building, learn the location of their homeroom, preview their class schedule, meet teachers, locate their locker, and practice the combination. Students will be given a sample agenda sheet and will write down assignments posted in the various Junior High classrooms to help prepare them for the increased demands of 7th grade. Students will also have a chance to meet their new classmates and engage in fun activities as they learn about the Junior High.

The Summer Orientation Program will be held on Tuesday, August 20, 2019 from 9:00 am. to 11:30 am in the Junior High Building. We will assemble in the Junior-Senior High Auditorium at 9:00 am and proceed to the Junior High. Refreshments and a brief orientation to the Junior/Senior High Cafeteria will be held from 11:00 to 11:30 am. We look forward to seeing the new 7th grade students and any new students to the district 8th grade students on Tuesday, August 20, 2019.

Sincerely,

Christopher Hamrick
Jr/Sr High Principal

TITLE I APPLICATION

It is the intent of the Tulpehocken Area School District to apply for Title I Federal Programs Funding for the 2019-2020 school year. Title I funding is provided to individual school buildings to provide supplemental core academic instruction, support, and parental involvement. The funding is awarded to schools based on the number of students in the building who qualify for free and reduced lunch. In 2019-2020, both Bethel Elementary and the Tulpehocken Junior-Senior High School qualify to apply for this funding.

Bethel Elementary plans to continue to use the funding to support the Response to Instruction and Intervention program by providing staff, resources, and materials to enhance the reading and math programs in the building. Bethel will continue to operate as a Schoolwide Title I Building meaning that the funds can be allocated to support all students in math and reading.

The Tulpehocken Junior-Senior High School plans to use the federal funding to support students in the junior high and high school with targeted research-based reading interventions. The secondary building will operate as a Targeted Title I Building meaning that students will be evaluated and placed into the specific reading interventions based on multiple measures of performance.

The success of all of our students is our highest priority. Title I funding helps us to provide supplemental instruction and support for our students who are in need of additional support to be successful.

TULPEHOCKEN ENVIROTHON WINS 2019 BCCD PAINT THE RAIN CONTEST

On April 26, 2019, members of the Jr/Sr High Envirothon had the opportunity to take a field trip to the Berks County Conservation District for their annual Paint the Rain Contest held in conjunction with their Seedling Sale. The Paint the Rain Contest involves getting talented and creative students throughout Berks County involved in painting one rain barrel per school to represent their passion for nature. The Tulpehocken barrel was primarily designed by freshman, Kyla Ebersole.

Each school's rain barrel arrived in mid February and students had to submit them by the end of April. The theme this year was "Life in the Soil, Dig Deeper." Every person who attended the Seedling Sale event had the chance to vote and bid on their favorite rain barrel, gain knowledge from many different vendors, grab a bite to eat at the food trucks, and purchase plants or sapling trees. Many agencies were present, including the USDA, Penn State Master Gardeners, Penn State Master Watershed Stewards, and the Army Corps of Engineers. The hard work by the Tulpehocken students paid off. Their rain barrel won the overall competition.

JAZZ FEST SHOWCASE SOME OF OUR BEST

The High School Jazz Band and Junior High Jazz Lab both attended several jazz festivals this past spring with the goal of sharing their music with fans of jazz across the county! Most importantly, they heard and learned from the amazing talent presented by other Berks County schools and professional groups. The Jazz Band headlined for the “Dave Stahl Big Band” during their February shows at the Hebron Social Hall in Lebanon. The Jazz Band, shown in the picture was at the “Doc Mulligan Jazz Festival” held at the Miller Center for the Arts in Reading on Sunday, April 7, 2019. At this event, our jazz lab sax section received the “Outstanding Sax Section Award” and one of our alto saxophonists, Leah Zielinski, grade 9, received the “Outstanding Sax Soloist Award.”

INTEGRATED PEST MANAGEMENT (IPM)

Dear Parents or Guardians:

The Tulpehocken Area School District uses an Integrated Pest Management (IPM) approach for managing insects, rodents, and weeds. Our goal is to protect every student from pesticide exposure by using an IPM approach to pest management. Our IPM approach focuses on making the school buildings and grounds an unfavorable habitat for these pests by removing food and water sources and eliminating their hiding and breeding places. We accomplish this through routine cleaning and maintenance. We routinely monitor the school buildings and grounds to detect any pests that are present. The pest monitoring team consists of our school personnel. Pest sightings are reported to our IPM coordinator who evaluates the “pest problem” and determines the appropriate pest management techniques to address the problem. The techniques can include increased sanitation, modifying storage practices, sealing entry points, physically removing the pest, etc.

From time to time, it may be necessary to use chemicals to manage a pest problem. Chemicals will be used only when necessary, and will not be routinely applied. When chemicals are used, the school will try to use the least toxic product when possible. (Applications will be made only after school hours.) Notices will be posted in these areas 72 hours prior to application and for two days following the application.

Parents or guardians of students enrolled in the school may request prior notification of specific pesticide applications made at the school. To receive notification, you must be placed in the school notification registry. If you would like to be placed on the registry, please notify the district in writing. Please include your e-mail address if you would like to be notified electronically. Please send requests to: Tulpehocken Area School District, 27 Rehersburg Rd., Bethel, PA 19507, Attention: Heston Frey.

If a chemical application must be made to control an emergency pest problem (ex: stinging insects), notice will be provided by telephone to any parent or guardian who has requested such notification in writing. Exemptions to this notification include disinfectants and anti-microbial products: self-containerized baits placed in areas not accessible to students and gel type baits placed in cracks, crevices or voids.

Each year the District will prepare a new notification registry. If you have any questions, please contact Heston Frey, IPM Coordinator at 717-933-4611 ext. 1041.

ASBESTOS HAZARD EMERGENCY RESPONSE ACT

In accordance with the Asbestos Hazard Emergency Response Act (AHERA), The Tulpehocken Area School District has conducted inspections of all the School District buildings for the presence of Asbestos Containing Building Materials (ACBM). An asbestos management plan for each building was developed detailing the location and condition of all ACBM along with the short-term actions to be taken to protect building occupants. These management plans are available for review by any interested person in either the District Administration Office or at the individual School during normal working hours.

AHERA regulations require a re-inspection every three years by an accredited building inspector. This triennial inspection was conducted during 2018.

Tulpy Students Make Outstanding Accomplishments !! Keep up the Great Work !!!

CALLING ALL VETERANS!

The Tulpehocken Area School District would like to invite all military veterans to come and attend our 3rd annual Veterans Day ceremony on Friday November 8th at 10AM in the high school auditorium. The veterans will be treated to breakfast at 9AM, followed by an assembly of musical performances by the high school band and chorus, student speeches, and a visit from prominent local leaders.

If you are interested in attending please call the high school office to let us know if you will be attending. If you know of a veteran who would be interested in attending this event please let them know to contact the high school office at 610-488-6286, extension 2011.

Tulpehocken would like to thank the veterans who have kept our nation safe.

WHAT'S GOING ON IN NHS?

NHS finished the year with two big events. In May we celebrated Teacher Appreciation with our annual "Teacher Appreciation Luncheon." The luncheon is planned and served by NHS members. Teachers are the focus of the day and members serve snacks and do any tasks teachers require. This year's theme was Super Hero. The members decorated the HS faculty room superhero style and also wore superhero attire.

On June 6th we celebrated graduation! This year NHS graduated 15 seniors. We wish all these students the very best as they leave Tulpehocken and begin life's new journey.

2019 MAWA WRESTLING

Tulpehocken Wrestling served it's community well at the recent Western Regional Qualifier of the Mid Atlantic Wrestling Association. Tulpehocken qualified five out of six wrestlers in the elementary division and one in the open division (HS Coach Bill Chapman qualified at Juniata).

Qualifiers:

Jayce Schaffer, Rhys Schaffer, Caleb Schaffer, Abramm Schaffer, Troy Ruffner
David Bortz, Coach Chapman (Open Division)

The wrestlers then went to the York Expo Center to wrestle in the Regional Tournament which includes schools as far west as Pittsburgh and as far south as Virginia. Jayce and Caleb Schaffer both won their first match, but were eliminated with two loses in the wrestle backs. Rhys and Abramm went on to defeat all their opponents, in a very challenging competition, to claim First Place and the right to proceed to Eastern Nationals. Coach Chapman placed sixth after wrestling some hard fought matches to contend for Nationals. (top four places move on to the next round). Coach Chapman was there to coach and support David Bortz a Tulpehocken Senior, who placed fourth and will travel to Salisbury, MD. to compete in Eastern Nationals along with the Schaffer brothers.

Congratulations to Tulpy wrestling!

TULPHOCKEN TRACK AND FIELD

Small schools can do big things! Tyler Hulse, Zach Risser, Ella Ahner, Ava Ahner, Jenna Philippe, and Jessie Torres competed at the PIAA State Championship meet where Tyler Hulse high jumped a personal best of 6' 7" to become Pennsylvania's silver medalist in high jump. At the District 3 Championships Ava Ahner, Ella Ahner, Clara Hardick, Kiley Marone, Jenna Philippe, Mackenzi Sowers, Jessie Torres, Camden Gehris, Tyler Hulse, Nathan Lutz, Austin Peiffer, Nathan Pierson, Zach Risser, and Justin Stricker, competed and came home with 23 medals! Zach Risser is our District 3 Champion in the 100 and 200 meter dashes. Silver medals were won by Ella Ahner in the 200 meter dash and the girls 4 x 400 relay. Two long standing school records were broken this season. Ella Ahner broke a 33 year old record in the 200 meter dash and the girls 4 x 400 meter relay consisting of Ava Ahner, Jenna Philippe, Jessie Torres, and Ella Ahner, broke a 38 year old school record. The girls and boys 4 x 100 meter relay teams competed at the 125th anniversary of the Penn Relays. The relay teams consisted of Ella Ahner, Jenna Philippe, Mackenzi Sowers, Ava Ahner, Nathan Lutz, Zach Risser, Austin Peiffer, and Tyler Hulse. Our 5th annual Sterling Hoffman Invitational continues to be a success and the athletes enjoy competing at home under the lights. We wish our seniors Kiley Marone, Lydia Bednarczyk, Tyler Hulse, Zach Risser, and Justin Stricker all the best. Next season looks to be promising as we try and capture the success we had this year.

DID YOU KNOW...

Shawna Clay, a 2012 Graduate of Tulpehocken High School, obtained her bachelor's degree in Psychology from Millersville University, where she held office in her sorority Alpha Sigma Alpha in 2016. May 17, 2019 Shawna graduated with her master's degree from Immaculata University in Mental Health Counseling, where she is also a member of Beta Mu Chapter of Chi Sigma Iota International Honor Society of Professional Counseling. Shawna has accepted a full-time position in her field of study. Shawna's family is extremely proud of her accomplishments.

PLEASE WELCOME OUR NEW JSHS PRINCIPAL

Mr. Hamrick is excited to return to Tulpehocken School District as the principal of the Junior-Senior High School. He started his teaching career with Tulpehocken in 2008 after graduating from Kutztown University with a degree in Art Education. In 2010, Mr. Hamrick moved to Elkins, WV where he has served as an administrator for the past five years at both Junior and Senior high levels. He obtained his Master of Education Degree from Salem University in WV. In his free time, Mr. Hamrick enjoys spending time with his wife, two children, dog, and all things fly fishing.

PLEASE WELCOME OUR NEW

PENN BERNVILLE ELEMENTARY PRINCIPAL

Hello, Tulpy Community! My name is Jena Damiani, and it is my privilege to introduce myself as the new principal of Penn-Bernville Elementary School and to join this wonderful school community. I can assure you that I share in this school community's commitment to caring for your children each day while providing them with a safe, engaging learning environment.

The 2019-2020 school year will mark my 14th year in education. I hold a Bachelor's and Master's degree in Elementary Education, and I have extensive training in literacy instruction. After graduating from Kutztown University, I worked for the Wilson School District as a third-grade teacher, Instructional Support Teacher, and Reading Specialist. Most recently, through Alvernia's Educational Leadership program, I earned my Principal Certification.

Together with my husband, Dean, we have three wonderful children ages 10, 7, and 4. We enjoy spending time together outside whether that is at the beach, at a campground, or just in our backyard. We are board game lovers, puzzle solvers, and always up for a good DIY project. We are also fans of the show America's Got Talent and we cheer on the Philadelphia Eagles every football season.

Thank you for this opportunity to serve the Tulpehocken School District, and I look forward to the start of the school year!

**PLEASE WELCOME OUR NEW
BETHEL ELEMENTARY PRINCIPAL**

Hello! My name is Andrew Guers I am honored to have been selected to join and lead the Bethel Elementary School team. Over the past ten years I had the opportunity to work within the Reading School District as a classroom teacher and English Language Learning resource teacher. When I am not in school I enjoy biology, cycling, and chasing after my two dachs hunds. I'm looking forward to building relationships with staff, community partners, as well as students and families. Once again, I am so thankful to have the opportunity to bring all that I have experienced and learned with me to your wonderful community. I am looking forward to getting to know you and your children.
