

School Wellness Committee Meeting Agenda

August 3, 2020

- Welcome – Introductions
- Why are we here?
 - Federal requirement
 - Food service administrative review identified that our current policy was not compliant
- Employee Wellness Committee vs School Wellness Committee
- PSBA template used to develop policy that is compliant with all federal regulations
- Some local control but many items are mandated
- Policy template was developed prior to COVID-19 pandemic so will need to be updated
- Administrative regulations will show as an attachment to the policy
- First reading of the policy will be presented for board approval when ready
