[Apply To BCTC - Berks Career & Technology Center](#)

### Work-Based Learning Internships for Spring Semester 2023

Work-Based Learning allows students to gain valuable work experience for credit or as a graduation project. Experiences are at least 60 hours in lieu of study halls and/or electives or after school. Due to the nature of schedules and the need for transportation, credit based work-based learning internships are only available to juniors and seniors.

**A parent/guardian and student must attend a mandatory meeting** regarding the detailed requirements of the program and required paperwork. Meetings will be held during the following days/times:

Monday, November 21 at 1:30PM

Tuesday, November 22 at 1:30 PM

Tuesday, November 22 at 3:30 PM

Tuesday, November 22 at 5:00PM

This Work-Based Learning meeting will last about 30-45 minutes. Schedule your time slot either by calling Mrs. Beck at 610-488-6286 ext. 2508, emailing lbeck@tulpehocken.org or using this online link <https://www.signupgenius.com/go/9040B4AABAF2CA3FC1-work2>

**Work-Based Learning experiences are explored AFTER the parent/student meeting and are NOT guaranteed.**

### Reading Hospital Internship Program

Reading Hospital offers internship for seniors who want a clinical or non-clinical experience in a hospital setting. Non-clinical placements might include Community Wellness, Nutrition Services, Environmental Services, Finance, Central Monitoring/Virtual Patient Monitoring, or Patient Access Center. Clinical placements could be in Emergency Department/ED Observation, Respiratory Care/Sleep Center, Surgical Intensive Care Unit, Post Anesthesia Care Unit, Mother Baby, Children's Health Center, or Critical Care.

Current juniors interested in an internship for 2023-2024, will need to submit an application no later than January 6, 2023. See Mrs. Beck in room 508 or email lbeck@tulpehocken.org for application and more information.

Application Period Open	December 1-January 6
Interviews	Rolling, Through January 31
Decision Letters (Sent via email)	Friday, February 3
Student/Parent Orientation	Week of February 20 (2 sessions)
Onboarding Process Begins	Wednesday, March 1
Onboarding Process Complete	By End of School Year

### **St Joseph Internship program**

#### **Student Information Meeting**

**December 13 at 2PM**

The internship program at Penn State Health St. Joseph introduces students to a professional world, teaches them the expectations of employers and enhances their personal and professional development. It also allows students the opportunity to learn about different careers, different work settings and obtain hands-on experience in a hospital setting. Possible program areas include: Family Birthing Center, Medical Surgical Inpatient Units, Critical Care Unit, Cancer Center, Radiation Oncology, Surgical Services, Lab Cardio-Respiratory, and Translator Services.

**Students wanting a clinical internship experience at a hospital are strongly encouraged to apply to both Reading Hospital's and St. Joseph's Internship programs.**

### **ASVAB Testing**

Wednesday, December 7

11:45 AM - 2:30 PM

### **Permission slips due by November 23**

Tulpehocken Jr./Sr. High School will be offering the ASVAB assessment instrument, which is part of the ASVAB Career Exploration Program (CEP). Interested juniors and seniors are invited to take this assessment. It is a valuable tool to help students with their educational and career plans. It is essential for those looking to enter the military. The ASVAB CEP will help students:

- Learn more about themselves and the world of work
- Explore occupations in line with their interests and skills
- Develop an effective strategy to realize their career and education goals
- Meet the Act 158 Pathways to Graduation requirement

One of the scores on the ASVAB is the military services' entrance score which is used to determine eligibility for the various branches of the military. Scores are not released to the military unless the student/parent requests them with a military recruiter.

The ASVAB CEP's site [www.asvabprogram.com](http://www.asvabprogram.com) offers information regarding the program and includes a brief video summary explaining the process and benefits of the program. Students will receive results and access to an online career exploration program.

Interested students can pick up a permission slip in Mrs. Beck's room 508.
