Explore BCTC's 35 programs in business and information, communications, construction, engineering and manufacturing, healthcare, services, and transportation.

**Spring Berks College Fair
(Juniors)**

Tuesday, March 7

9AM - 12PM

Spring is an excellent time for juniors to concentrate on post-secondary school planning and begin their college search. Community colleges, vocational schools, 2-year colleges, 4-year colleges, and the military will be at the fair.

In January juniors had a lesson about how to navigate the college search process. On the day of the fair, there will be an orientation about what to expect at the fair before students are bussed to Alvernia College. At the fair, students will have about an hour meeting with representatives from various schools, colleges, and military.

Permission Slips DUE: February 16!!

Higher Education Night

with High School Dual Enrollment Opportunities

Wednesday, February 15
7PM
