

## Parent/Guardian Access & Information

VHS will automatically send the parent/guardian a username and password to access the VHS system via email when the student account is created.

VHS Learning classes are asynchronous (not live) and run either 15 weeks (semester classes) or 33 weeks (year-long classes). The teachers for VHS are not Tulpehocken teachers and are from around the US and world. Students in the VHS classes will also be from around the country and world. VHS work is provided in weekly chunks. Students must meet the weekly deadlines or will have late penalties. Some VHS work cannot be submitted late so please be aware of due dates and keeping up. With any online course, communication is a huge part of the learning process, encourage your student to communicate often with the VHS teacher and the Site Coordinators at Tulpehocken (Mrs. Kindoll, Mrs. Eckenrode, & Mrs. Carley).

## Dashboard/Home

The dashboard shows a brief overview of your student's current enrollments and course requests. The academic snapshot includes the student's grade, the number of assignments graded, and the last course access date. Please note that grades and last course access data may be up to 2 hours behind live data, when our system syncs.

### DASHBOARD

Here is an overview of current student enrollments and academic progress. If you are associated with more than one student, please click on the student's name above.

#### Academic Snapshot

These are the latest activities for this student:

Course	Grade	Assignments Graded	Last Course Access Date
Pre-Calculus Summer Offering (KW_SU21-ES)	94%	22 of 80	7/8/2021 4:12:00 PM

#### Course Requests

There are no courses requested by this student.

## Contact Site Coordinator

Guardians can find Site Coordinator contact information by clicking on Contact Site Coordinator in the left margin. This page shows the Site Coordinator's name, email, and phone number if available. You can email the Site Coordinator directly from this page as well.

You can also email Mrs. Kindoll, the primary Site Coordinator for VHS using [ekindoll@tulpehocken.org](mailto:ekindoll@tulpehocken.org) or call her at 610-488-6286, ext 2082.

## Gradebooks

For more detailed information about your student's grade such as individual assignment grades and term grades, click on the Gradebook link in the left margin. If your student is currently enrolled in multiple courses they will each be listed along the top of the gradebook. You can navigate between courses by clicking on the course names or using the large green arrows to the right. Click Download In Progress Grade Report to download a PDF progress report for the course you are viewing.

Historical grades can be viewed using the Gradebook History link in the left margin. The Gradebook History shows individual assignment grades, term grades, and final grades for your student's completed enrollments. If your student has multiple completed courses, you can navigate between courses by clicking on the course names or using the large green arrows to the right.

Your student can reach out to their VHS teacher in the Private Topic (PT). Students in VHS do not communicate using email, they use the Private Topic area to communicate with their teacher so that all communication is logged within the course itself. If a student does not hear back from a teacher within 24 hours during the school week or within 48 hours over weekend, please reach out to Mrs. Kindoll. Any grade disputes should be handled by Mrs. Kindoll, the VHS teacher, and other VHS staff if necessary.

Pre-Calculus Summer Offering
